*Please contact the Sanitary Association or refer to the Sanitary Association

Magazine about the collection days

Please do not mix paper garbage and plastic containers and packaging with Burnable Garbage!

● Paper garbage and plastic containers and packaging recycling are very valuable. At the Sanitary Association we put in a lot of effort to separate and correctly dispose of garbage for environmental protection and recycling of resources.

● If paper garbage, plastic containers and packaging are mixed-up, garbage won't be collected. We will put a sticker on the garbage so that you will correctly dispose it
